

A Green Event

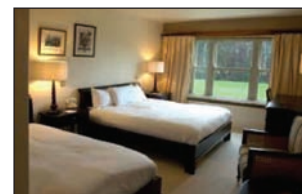

Duration: 4 Days / 3 Nights *An environmentally responsible programme in the heart of the Irish countryside*

Day 1

Morning:

Guests will be met and greeted in Dublin Airport by an Advantage ICO representative and professional guide; from there they will be escorted to an awaiting coach.

Brooklodge

From the airport, guests will travel straight to Kippure Estate to enjoy an organic lunch and commence the first set of activities – the Skytrek Zone.

Once the activity has been complete, guests will be transferred to Brooklodge for check-in and time to relax into the surrounding of their Hotel.

Evening:

This evening guests will enjoy a traditional Irish dinner with entertainment in Actons Pub.

Skytrek

Actons Pub

Brooklodge Green Credentials:

WE ONLY ADD SALT AND PEPPER

Over 250,000 guests have enjoyed Organic Food, free from chemicals, preservatives, pesticides and other nasties since the hotel opened its doors. The only thing we add is Maldon Salt and Organic Black Pepper.

IT'S STILL IN THE GROUND

Since we've added carbon-neutral Bio-mass Burners and Green Energy Systems we've reduced our Gas consumption by 522,000 Litres per annum.

It's still in the ground for future generations to use.

IT'S NOT IN THE GROUND

When recycling was not even heard of, we were sorting our Waste, we now have Fifteen Streams. If we didn't we'd be adding 988 by 1,100 Litre Containers to landfill every year.

WHAT'S NOT ON THE LABEL

If we purchased conventional meat, dairy and vegetables instead of Organic, 36 Tonnes per annum of extra chemicals, herbicides, pesticides etc. would

have been used to produce the food.

MOTHER EARTH IS HOT

The first Hotel in Ireland to commission Wood Chip Burners and the only Hotel to have 26 Kilometres of underground pipe work extracting non-polluting Geo-Thermal Heat for its guests.

LET'S TALK S*#TE

Our own state-of-the-art effluent plant can treat up to 77 Cubic Metre's a day and is quite unusual, in that the finishing stages of the process uses Irish Peat as a natural filter.

Day 2

Morning:

Breakfast is served in the White Room before guests are transferred to the starting point of the mountain walk.

Guided Interactive Mountain Walk

The group is provided with the option of 3 different walking experiences.

Evening:

Tonight, specifically for our guests, a tent will be set up on the grounds of Brooklodge where guests will enjoy a meal cooked on a 'Fulacht Fiadh'.

Guided Mountain Walk

Fulacht Fiadh

A Fulacht Fiadh, which consists of a small, horseshoe shaped grass covered mounds, are composed of burnt and fire cracked stones and a central pit or trough.

After dinner guests will be entertained by an Irish Story Teller.

Day 3

Morning:

Breakfast will be served in the hotel before guests partake in their final activity – a mountain bike GPS treasure hunt.

After the tree planting, it's off to the spa for a well deserved treatment!

Evening:

Guests will dine on an exclusive basis at the Big Table in the Strawberry Tree Restaurant, the first and only, restaurant in Ireland to hold a Full Organic Licence.

After dinner, entertainment will be provided by Moya Brennan.
